

**Species Codes - if you can identify the species please enter code then quantity eg. PC<sup>3</sup>**

**Other bee**

**WC** Wool carder  
**MC** Megachilid: Mason or leafcutter  
**IB** Ivy bee

**Hoverfly**

**EB** *Episyrphus balteatus* , the “marmalade fly”  
**ER** *Eristalis* sp, honey bee mimic  
**VZ** *Volucella zonaria* , hornet mimic  
**VI** *Volucella inanis* , wasp mimic  
**VP** *Volucella pellucens* , a very large hover flywith 2-coloured wings  
**VB** *Volucella bombylans* , bumble bee mimic  
**VF** *Volucella inflata* , about the size of a honey bee, with 2 coloured wings  
**RH** *Rhyngia* sp, a reddish hover fly with a large nose  
**MF** *Myathropa florea* , a large hover fly (batman logo on notum)  
**SY** *Syrphus* , or Syrphus wasp mimics a bit smaller than a honey bee  
**HE** *Helophilus* sp, wasp mimics, longitudinal black and yellow strips on thorax

**Other fly**

**BF** Bee fly  
**GB** Green bottle  
**MM** *Mesembrina meridiana* , distinctive black body and wings with yellow bases

**Butterfly**

**PC** Peacock  
**RA** Red Admiral  
**ST** Small Tortoiseshell  
**PL** Painted Lady  
**CO** Comma  
**MB** Meadow Brown  
**GK** Gatekeeper  
**SP** Speckled Wood  
**RI** Ringlet  
**LW** Large White  
**SW** Small White  
**GW** Green veined White  
**BR** Brimstone  
**CB** Common Blue  
**HB** Holly Blue  
**SC** Small Copper  
**LS** Large Skipper  
**SS** Small Skipper  
**OT** Orange Tip

**Moth**

**HB** Hummingbird hawk moth  
**MM** Mint/marjoram moth  
**SY** Silver Y Moth  
**BM** 6 spot Burnet moth

**Other insects**

**SW** Social wasps  
**PW** Parasitic wasps

**Beetle**

**SM** *Strangalia maculata* , Spotted longhorn, yellow & black  
**SME** *Strangalia melaneura* , Black striped longhorn beetle  
**ON** *Oedemera nobilis*, thick legged flower beetle metallic green  
**CA** Red soldier beetles such as *Rhagonycha fulva* ; elongate reddish/orange beetles
